Re: TUNNEY ACT.

PLEASE ACCEPT THE FOLLOWING

LETTER AS MY OPINION REGARDING
THE MICROSOFT CASE.

SINCERELY:

VALERI STEPHENS-ELLIS.

1444 West 10th Street Apartment 401 Cleveland, Ohio 44113

December 20, 2001

Sen. Mike DeWine
United States Senate
Washington, DC 20510

Dear Senator DeWine:

As a resident of Ohio, I am writing to express my relief that the government has finally settled its case against Microsoft. I am sorry that the case was ever brought against them in the first place but now that it has been resolved, I hope that it will not be long before they will be able to get back to business.

I have supported Microsoft from the beginning because of the influence it has on our economy. As a major player in the stock market, any boon to Microsoft will be a good windfall for the rest of the market and the IT industry as a whole.

I hope that you will listen to the opinions of your constituents on this matter and support Microsoft and the Department of Justice's decision. Thank you for your time and I look forward to hearing back from you on this matter.

Sincerely,

Valeri Stephens-Ellis
